

KINGS ROAD AREA NEIGHBOURHOOD WATCH, with RIDGEWOOD WATCH, WILLIAMS WATCH and the 3 Bs WATCH and in partnership with SANDIACRE COMMUNITY ACTION CIC

'Helping to keep people SAFE, CARED FOR and VALUED, and reducing our carbon footprint

Crime in Sandiacre?

These are the police figures for the last 12 months. It is important to report all crime, even if we feel 'nothing gets done about it' so we get a true picture. Let us know if you experience any crime and if you want help to report it.

We missed doing a July Newsletter because of Covid but we are all OK now.

Activities

Our July Free Lunch went well, we enjoyed it. We will do more in September. We are doing another Tea Dance with Sandiacre Community Action on 16 September,

Kings Road Area Neighbourhood Watch Coordinator, Tony Ford, 39 Kings Road. Tel: 0115 9177829
sandiacrenw@gmail.com

Facebook: Kings Road Area Neighbourhood Watch and Kings Road Area Neighbourhood Watch Food

tickets from the food stall and there is also Scarecrow Festival 17/18 September and we invite you to take part by making and displaying a scarecrow (register interest at the food stall).

Food Stall

Monday, Tuesday at St Giles Church Hall

Wednesday, Thursday Kings Road

Friday, Saturday Methodist Hall Butt Street

All 10-12 (or until all gone if earlier). Coffee Mornings at the halls with other activities.

We are now collecting more food than ever, we need people to come and take it.

‘What do you do with the donations?’

Buy bags for the food, the Awning for the stall, cost for collecting the food, printing costs, Health, Hygiene and Safety training courses, Police checks, sponsoring our activities, leaflets, signs, equipment. Free Food is not free to put out and Neighbourhood Watch is not Free to run so donations are essential for us to function. A little in the box helps us to do just that, no one gets paid.

Annual General Meeting

We invite you to come to our first AGM at the Methodist Church Hall on Friday 23 September at 11.00, at the end of the Coffee Morning, where you can help us to review what we have achieved and plan ahead.

Digital Exclusion Project

We are very close to starting our first course. We hope to help 6 people at a time who are currently not able to 'do computers' to get online, to be able to improve their communication, access to information and making appointments and acting online. Let us know if you are interested.
