Reducing Our Carbon Footprint

- Food Stall. Kings Road Monday – Thursday, 10 a.m -12 and at the Methodist Chapel on Butt Street, 10a.m. – 12, Thursday-Saturday.
Please take the food to reduce landfill.
- Try to reduce your own food waste <https://www.lovefoodhatewaste.com/> for ideas.
- We are grateful to those who have donated food, including the coop, Lidl and individuals and for those who have supported our cause with money donations.
- If you are in a position to do so leave a tin of food on the stall, or outside Kings Road for someone else.
- **COVID-19.** We now have lateral flow tests, masks, face shields, hand gel and some cleaning materials for free at the stall. There are also Safety pamphlets at the stall too.
- **Recycling**
Vegetable peelings and leaves can be left at Kings Road in the bins provided where they will be composted to reduce landfill
- There are bins for glass, plastic bottles, cardboard, paper, clothes and small electrical items at West Park.
