

## KINGS ROAD AREA NEIGHBOURHOOD WATCH

*'Helping to keep people SAFE, CARED FOR and VALUED, and reducing our carbon footprint.'*

(Increased membership and now on 32 roads in north Sandiacre.)

### Negotiated Discounts for Members:

We have negotiated discounts for members with local businesses.. Please contact us for further details on this.

**Our campaign for September “Fire Safety”** (correction on phone number): 01132777850 for 'Safe and Well Visit' request.

- Consider: How can you protect your critical documents from fire damage?
- Can you phone from your bedroom if you get trapped?

**Action Fraud helpline**, to report any phone, online or door scams: 0300 123 2040.

Summaries of some messages received in August (E&OE)

- Guidance from Derbyshire Police Cyber Crime if you have **online accounts**:
  1. Separate passwords for each account, create by using 3 random words
  2. Enable 2 factor authentication
  3. Ensure you are running the latest updated apps or websites.

- **Covid.**(Derbyshire County Council).

It is important that you continue to get tested regularly to help stop the spread of Coronavirus.

One in 3 of those with COVID-19 do not have any symptoms, meaning that they could be passing on the virus to anyone they meet

.You can collect free at-home test kits from local pharmacies or the library.

- Do you have information about criminals operating in our community? You can speak up and remain 100% anonymous.  
Always. Ring Crimestoppers 0800 555 111

- Report all criminal activity, no matter how small and get a crime number. The number of crimes reported impact on policing in Sandiacre. Call 101.

## Activities.

Thank you for taking part in the 'Picnic in Sandiacre'.

Our next venture will be a 'Pub Quiz' about Sandiacre, all of our pubs have agreed to take part. Contact us if you want to help make the Quiz, or use it. Watch for details.

## Reducing Our Carbon Footprint

- Food Stall

At the moment it is at Kings Road Tuesday – Thursday, 10 a.m -12 or so and at the Methodist Chapel on Butt Street, 10a.m. – 12, Monday, Friday and Saturday. We will put any changes on the Facebook page and the stall.

Please take the food to reduce landfill. Try to reduce your own food waste <https://www.lovefoodhatewaste.com/> for ideas.

We are grateful to those who have donated food, including the coop, Lidl and individuals and for those who have supported our cause with money donations,

Thank you to Copper Cogs for PPE donated.

- Recycling

Automotive/cooking oil, tyres, chemicals such as bleach, small amounts of rubble/DIY waste and batteries can all be taken to Ilkeston household waste recycling centre, not in your bins.

## How can you help?

1. Sign up to Neighbourhood Watch, it is FREE and we will keep you in the loop.
2. Join our Facebook page: Kings Road Area Neighbourhood Watch.
3. Volunteer to help us in some small way.
4. Put a Neighbourhood Watch sticker in the door or window so people know we are in the area, this is a proven deterrent, (just ask, we have them).
5. If you have a local business how can we work with you?
