

CARPORT CONVENTION

Carport Convention is a Long Eaton based band of multi-talented individuals. Geoff, Roma, and Neale came together during the first lockdown, meeting up on their driveways and under carports, to play music together.

After 18 months of playing acoustic guitars and a variety other instruments, supported by a harmony of voices, they bring you a diverse range of folk, rock, and country music from across the globe.

Erewash Canal Preservation & Development Association is proud to have Carport Convention perform at **Sandiacre Lock Cottages**

Sunday 21st November 2021
Performances at 11.30 a.m. and 1.30 p.m.

This is a free concert
